Introduction

Welcome to the Department for Schools and Colleges annual Professional Development Booklet. This booklet details the planned training and events for the academic year 2020/21 which, in light of the current situation and any future guidance, may alter. Where or if this occurs schools or attendees will be notified. However, we still request you share this with your governors, senior leaders and other appropriate staff to make them aware of what is available to support them in their role.

The training courses detailed in this booklet should be booked online at the Schools and Colleges website. You can access a downloadable copy of this booklet and the booking form directly from this link: <https://schools.cliftondiocese.com/courses>.

Once you have completed the booking form, please select the payment option and click the 'Submit' button at the foot of the form. You will then be taken to a confirmation screen where you also have the option to pay for the course at this stage if you had previously selected to pay by Credit Card/PayPal on the booking form screen. A confirmation message will be sent to the email address on the booking form. If you do not receive a confirmation straight away, please check your spam folder. You will receive a reminder of your booking by email around 2 weeks prior to the course taking place. If you have any queries regarding your booking please contact Graham Tiley at: graham.tiley@cliftondiocese.com.

May we please emphasise the need to inform us of attendance at courses and events to ensure their viability, health and safety issues around the accommodation provided, and the correct numbers for catering. Failure to do so may mean being turned away on arrival.

If you require any further details about any of the courses in this booklet you are welcome to contact the office on **0117 902 5593**.

Whilst these are the planned courses and events, should there be any additional events or courses running throughout the year you will be informed of them via individual flyers or emails so please keep a look out.

By booking on any of the courses we are committed to providing:

- *what is clearly indicated on the course details;*
- *a non-profit based cost to support the budgetary difficulties schools face;*
- *a comfortable and accessible venue allowing for reasonable travel time;*
- *an opportunity to be listened to and opinions and concerns respected and valued;*
- *training that will incorporate a range of presentational strategies to engage and motivate attendees;*
- *an opportunity to collaborate and network with colleagues;*
- *an opportunity to provide feedback;*
- *where appropriate, outside speakers that will motivate, inspire and provide relevant and up to date information;*
- *a warm welcome and a friendly face.*

In return we ask that attendees commit to:

- *ensuring they have booked on the course;*
- *arriving on time, registering their attendance and staying for the duration;*
- *participating in a positive and open manner;*
- *being respectful of colleagues and air views in a professional, non-personal way;*
- *providing feedback, which is honest, purposeful and constructive.*

Please note that, in the event of non-attendance, the full cost of the course will be charged if costs for venues and speakers have already been incurred or less than 2 full school days' notice has been given. All cancellations should be made by email to:

graham.tiley@cliftondiocese.com.

As you will appreciate, all the Department's services and activities have cost implications and therefore the Department must be financially viable and sustainable. In order to achieve this and support schools, the Department implements a Service Level Agreement which entitles all schools to a core service, as set out in the document which can be viewed at the Clifton Diocese Schools and Colleges website at: <https://schools.cliftondiocese.com/governance>.

Services which are outside of the Service Level Agreement, such as the courses and events included in this booklet will incur separate costs. Details of these costs are included in the description of each course and event.

Where the training is online and only involves current diocesan staff, minimal cost will be incurred, however where there is an outside speaker, costs to cover their time will have to be charged even if it is a virtual meeting.

- develop a clearer understanding of the key themes outlined in the Curriculum Directory and how this might affect the teaching of RE;
- promote practical strategies and ideas to support RE provision (both classroom RE and the Religious understanding gained through the life of the school as a whole);

- consider the nature of Sacraments;
- provide a deeper understanding of the distinctive nature of a Catholic school.

CCRS for Teachers

A Brief Outline of the Certificate

The Catholic Certificate in Religious Studies (CCRS) is managed and awarded by the [Board of Religious Studies](#) on behalf of the Bishops' Conference.

It was introduced in 1991 to replace its predecessors, The Catholic Teachers' Certificate and the Certificate in Religious Education. Any teacher who is, or who wishes to be involved in Catholic Education may apply for the course.

The course seeks to ensure that participants have at least a basic knowledge and understanding of the beliefs of the Catholic Faith. It also provides a basis for further study. The course consists of eight modules in total: six core modules and two specialist modules. The core modules are: Old Testament; New Testament; the Person of Jesus; the Church; Sacramental Life; and Moral Understanding. Each module requires 10 hours contact time with a written assignment of 1500 words. You may of course choose to do the modules out of interest and not complete the written assignment; however, you will not be awarded a CCRS certificate unless you complete the written assignments.

“I would like to commend the CCRS Course as a necessary part of ongoing formation for teachers within our Catholic schools both at primary and secondary level. To maintain and help develop the Catholic ethos of our schools it is essential that teachers have a basic knowledge of the Catholic faith and are able to share this with students. Young people can sometimes be very challenging in their questions and this is true in matters of faith and belief. This course is designed to help teachers respond to the needs of their students as they make their journey in faith.”

Bishop Declan
12.05.2016

Practical details

Timing: The certificate is normally acquired over two years with a maximum of five years' study. The diocese will offer four modules a year on a two-year cycle. Each year will consist of three core modules and a specialist module. You may choose to do four modules per year to complete the course over two years or you may space it out over a longer period if you wish. Once you begin the first module you must complete within five years. This academic year will consist of eight days in total with four days in school time and four days on a Saturday.

Assessment: **You must attend** each module and successfully complete an assignment. In this year we will consider: The Church, Sacramental Life, Christian Morality and our specialist module will be Faith & Science.

Cost: Registration fee £20 to be paid when returning Application Form. In addition, each module will carry a separate fee as indicated in the schedule to cover relevant expenses.
