

## Ideas for celebrating Black Saints

### Saint Josephine Bakhita

*"Seeing the sun, the moon, and the stars, I said to myself: 'Who could be the Master of these beautiful things?' And I felt a great desire to see Him, to know Him, and to pay Him homage".*

You can enjoy a St. Josephine lunch: apple crescent moons; a clementine sun; ham and cheese star "cracker sandwiches". The lunch represents how she first saw God in the beauty of His Creation and how we see God in nature today.
