Welcome

Thank you for being interested in joining our Trust Board.

Governors and leaders of six schools in the Dunstan Partnership are working together to open one of the first Multi Academy Trusts (MATs) being established within the Catholic Diocese of Clifton. The target opening date is 1 March 2022 so it offers an exciting opportunity to be part of a trail blazing enterprise!

There is much to be done by the schools collaboratively to complete a proper process of due diligence between now and the anticipated MAT opening date. The first critical decision-making milestones are getting formal approval of the MAT application by the Diocesan Academy Board in September and Regional Schools Commission for the South West in October 2021. Currently there are five working groups reporting to the Dunstan Partnership Working Party who in turn report to each school's governing body. As such, the development of MAT proposals in all aspects, including details of the MAT vision and governance structure included in this pack, need to be treated as 'works in progress' because the final decision would be taken by the Trust Board of Directors once formally established.

Proposed MAT vision and values:

The Dunstan Partnership exists to develop a united community of schools where the teachings of Christ inspire everyone to flourish, to enjoy their journey in lifelong learning, and to become the best person they can be.

Core Values –

- Community
- Respect
- Opportunity

Proposed MAT Governance Structure:

Five Members will be appointed by Clifton Diocese who will also support the recruitment and appointment of eight board directors in total (5x foundation and 3 co-opted for their skills). As the multi-academy trust is a single legal entity it is overseen by a single governing board which is ultimately accountable to the Department for Education (DfE) for the performance of all schools it oversees. Directors of multi-academy trusts as charitable companies are subject to Company Law and Charity Law and the regulatory framework set by the Department for Education. It is

therefore critically important that applicants understand the associated role and responsibilities.

The Trust Board's Scheme of Delegation is expected to clarify the different roles and responsibilities of the committees it opts to establish. There are two types of committees in MATs. Trust committees have a trust wide remit e.g. finance, staffing, audit, estates and their membership must be composed by a majority of directors. Local Governing Committees usually have a single school oversight role, but could oversee more than one school, and their membership is composed of local governors. Their delegated remit is typically focused on holding the headteacher to account for the quality of standards and pupil outcomes, meeting the needs of the most vulnerable and disadvantaged pupils, including those with special educational needs and disabilities (SEND), wellbeing and spiritual development, attendance, safeguarding, health and safety, community engagement.

In recognition of the enormous value local governors offer to the quality and impact of governance upon outcomes for children, all existing Dunstan Partnership school governors are invited to complete and return to their Clerk the CES model governing body skills audit if they would like to transfer into the MAT on their existing terms of office at the point of opening.

More details about MAT members, directors and governors can be found in the DfE publication called 'Academy Trust Governance Structures and Roles'. **N.B.** This also includes the statutory duties associated with the role: [Governance structures and roles - GOV.UK \(www.gov.uk\)](http://www.gov.uk) Please also refer to Part 8 of the Academies Financial Handbook: [2019 Academies Financial Handbook \(publishing.service.gov.uk\)](http://publishing.service.gov.uk)

Our Schools

The six schools are: Corpus Christi Catholic Primary School in Weston-Super-Mare (North Somerset LA), St Gildas Catholic Primary School in Yeovil, Our Lady of Mount Carmel Catholic Primary School in Wincanton, St Joseph's Catholic Primary and Nursery School in Burnham on Sea, St Joseph's Catholic Primary School in Bridgwater and St Joseph's and St Teresa's Catholic Primary School in Wells (Somerset LA).

Corpus Christi is a one form entry school located in the large seaside town of Weston-Super-Mare. The school is situated in a residential area. The number on roll is below Published Admission Number but the recent Reception intake is full, there are a high number of Catholic pupils on roll. Corpus Christi form part of the Holy Trinity Catholic Federation with St Joseph's in Burnham.

The school accommodation is spread over four blocks and is quite spacious. The building is in a good state of repair with a planned programme of works. There is no capacity for new building on the part of town the school is located but Weston is undergoing significant expansion to the north of the town which has had an impact on pupil numbers with the pupils moving to the new schools nearer to home. We have a large playground and use of the communal field across the road.

The school was judged Require Improvement in their last Ofsted and Section 48 Inspections and are due for re-inspection. There has been significant work carried out on improving teaching and learning and middle leadership and the school has made good progress over the last 2 years.

Results over time have improved but remain slightly below national. The main focus of the Federation Improvement plan is to improve the effectiveness of feedback to accelerate the progress the pupils make.

St Gildas is a one form entry primary school based in Yeovil, which is a large town. The school is situated in an urban area with limited access and very little outside space. There is no onsite parking for staff or parents. The school is split into two buildings; one is spread over 4 floors with lift access and the other is a split-level building.

The pupil profile is: below national average for Free School Meals, Educational Health and Care Plan and Special Needs Support pupils and well above national for English as and Additional Language. The school experiences high pupil mobility due to hospital migration and extensive new buildings on the outskirts of the town. The travel time from the outside of Yeovil to the school can take up to 40 minutes.

The school was judged good in both the Section 48 and Ofsted Inspections June 2017 were both good. The quality of teaching and learning across the school is variable but robust plans are in place to address this. Results over time have been below national in attainment and progress and this is a focus for whole school improvement.

Our Lady of Mount Carmel has six classes (Early Years Foundation Stage (EYFS), year 1, year 2, year 3/4, year 4/5 and year 6) and is situated in the centre of Wincanton. It is a wonderful school site with a main building comprising of the offices, staffroom and three classes plus other small areas. There is the middle block with two further classes and the hall block with the EYFS area, the hall, kitchen, Special Educational Needs and Disabilities Co-ordinator room and Emotional Support room. We have a very good-sized playground area and a large astro turf area too. We also have a pond and reflection area.

We have 152 children on roll with 35% Catholic pupils and 25% English as an Additional Language pupils. Our Pupil Premium is 42% of which 17% are Services. Our Special Educational Needs is 9%.

Our Lady's Ofsted in May 2017 was GOOD and our Section 48 is also GOOD. Staffing has been stable until this academic year. In 2019 our phonics results were above National, as were results in Key Stage 1 (KS) in reading and writing with a slight dip in maths (0.6%). In KS2 our results were above National in all areas.

The current main drive-in school improvement is to close the gap (from Lockdown) and ensure children receive a broad and balanced curriculum.

St Joseph's, Bridgwater is a one form entry primary on the outskirts of Bridgwater. The buildings are generally in a good state of repair as a result of well-planned maintenance. There is a detailed future plan works. The site consists of one main building on one level with classrooms off a long corridor, a playground and a large field, there is also an outdoor heated swimming pool.

Currently the school is 96% full. The children come from a wide area around Bridgwater and beyond currently there are a low number of Catholics. The profile of students is below national SEN support, in line with national EAL and FSM and above national Education Health Care Plan (EHCP).

The school has recently moved from RI to Good under the new OFSTED (Oct 19) framework and also is rated good for section 48. The school has consistently good or better teaching from a stable staff. Results across KS1 and KS2 have improved for the last 3 years. Phonics has also improved over the last 3 years so it is now in line with the national average. The current main drive of the school improvement plan is to maintain a broad and balanced curriculum.

St Joseph's Burnham on Sea is a slightly larger one form entry school with an attached nursery in a small seaside town. St Joseph's forms part of the Holy Trinity Catholic Federation with Corpus Christi. The school is spread over two buildings which are generally in a good state of repair. The school is functioning at full capacity and the accommodation is crowded. We have a large playground and field.

The school has a PAN of 34 for each class and we are near capacity and have a nursery with 41 three and four year olds. We feed from the local area of Burnham. The profile of students is below national average for Special Education Needs and Disability, Educational Health Care and Plans and is in line nationally for Free School Meals. We have a low number of Catholic pupils on roll.

The school was judged as outstanding in its last Ofsted inspection and as a result hasn't been inspected for many years, the school was judged as good in the last Section 48 Inspection. The teaching remains good and there is a mixture of experienced and newer staff. The results in all Key Stages are good with attainment being consistently above national. The main focus of the Federation Improvement plan is to improve the effectiveness of feedback to accelerate the progress the pupils make.

St Joseph's and St Teresa's is a 5 class primary school situated in the town of Wells, they feed from their local and surrounding areas. They are currently over PAN and have 51% of Catholic pupils on roll.

The school accommodation is in one block and it is in a good state of repair with a planned programme of works. The outside space is a reasonable size. The school is placed in a built up area and access is restricted with little parking for parents.

The school is organised into mixed age year groups with some large classes in Key Stage 2. The profile of students is below national average for Free School Meals, Special Education Needs and Disability, English as an Additional Language and, Education Health and Care Plans.

The school was judged as Good in their last inspection (2016) and outstanding in the Section 48 inspection in 2017. The teaching remains good and there is a mixture of experienced and newer staff. The leadership costs are high. The results over time are in line or above national in all Key Stages with Phonics results being consistently high. The main focus of the School Improvement plan is curriculum, writing, well-being and developing middle leadership.
