In the case of external hotel / retreat venues, cancellation is in accordance with the venue's cancellation policy as the Diocese has already incurred charges when booking the dates. Please contact Roisin Johnson for more details.

As you will appreciate, all the Department's services and activities have cost implications and therefore the Department must be financially viable and sustainable. In order to achieve this and support schools, the Department implements a Service Level Agreement which entitles all schools to a core service, as set out in the document which can be viewed at the Clifton Diocese Schools and Colleges website at: <https://schools.cliftondiocese.com/governance>.

Services outside of the Service Level Agreement, such as inset will incur separate costs negotiated at the time of booking. Where the training is online and only involves current diocesan staff, minimal cost will be incurred, however where there is an outside speaker, costs to cover their time will need to be charged.

Year 6 Primary Leavers Mass

DATE	VENUE	TIME	COST
14 th June 2023	Clifton Cathedral	11.00 am	£25 per school which will be paid to the Cathedral to cover toilets and stewards.
15 th June 2023	Clifton Cathedral	11.00 am	

Target Audience: Year 6 Pupils and Staff

Theme: ‘Mission in the Local Community’

How does your school make a difference in your local community? (e.g. supporting food banks, visiting care homes, carol singing, harvest festivals, supporting local charities, helping the homeless)

This is the annual celebration for all year 6 pupils moving on to the next phase of their education. It is possibly the only time many of our children will visit the Cathedral or meet Bishop Declan, something that those who attend really treasure.

All schools are expected to attend this event and make this a priority over other events that may occur on the same date.

Please note the following:

In order to balance numbers and conform with Health and Safety requirements, schools from the Aquinas, Dunstan, Emmaus and Samuel Partnerships are requested to attend on Wednesday, 14th June 2023. Schools from the Camino, Little Way and Newman Partnerships are requested to attend on Thursday, 15th June 2023.

Any school not able to comply with the above MUST consult with the Department.

Schools must submit total numbers attending the mass by Friday, 19th May 2023.

Please make sure to book your bus transportation well in advance as this is a particularly busy time for bus companies with school tours, music festivals, etc.

CCRS for Teachers

A Brief Outline of the Certificate

The Catholic Certificate in Religious Studies (CCRS) is managed and awarded by the [Board of Religious Studies](#) on behalf of the Bishops' Conference.

It was introduced in 1991 to replace its predecessors, The Catholic Teachers' Certificate and the Certificate in Religious Education. Any teacher who is, or who wishes to be involved in Catholic Education may apply for the course.

The course seeks to ensure that participants have at least a basic knowledge and understanding of the beliefs of the Catholic Faith. It also provides a basis for further study. The course consists of eight modules in total: six core modules and two specialist modules. The core modules are: Old Testament; New Testament; the Person of Jesus; the Church; Sacramental Life; and Moral Understanding. Each module requires 10 hours contact time with a written assignment of 1500 words. You may of course choose to do the modules out of interest and not complete the written assignment; however, you will not be awarded a CCRS certificate unless you complete the written assignments.

“I would like to commend the CCRS Course as a necessary part of ongoing formation for teachers within our Catholic schools both at primary and secondary level. To maintain and help develop the Catholic ethos of our schools it is essential that teachers have a basic knowledge of the Catholic faith and are able to share this with students. Young people can sometimes be very challenging in their questions and this is true in matters of faith and belief. This course is designed to help teachers respond to the needs of their students as they make their journey in faith.”

Bishop Declan
12.05.2016

Practical details

Facilitator: Louise White, RE Adviser

Speaker: Ann Fowler, RE Consultant

Timing: The certificate is normally acquired over two years with a maximum of five years' study. The diocese will offer four modules a year on a two-year cycle. Each year will consist of three core modules and a specialist module. You may choose to do four modules per year to complete the course over two years or you may space it out over a longer period if you wish. Once you begin the first module you must complete within five years. This academic year will consist of eight days in total with four days in school time and four days on a Saturday.

Assessment: To gain accreditation you must attend each module and successfully complete an assignment. In this year we will consider: The Church, The Sacraments, Morality and our specialist module will be the Faith & Science.

You are welcome to attend the sessions without seeking accreditation through the submission of essays.

Cost: Registration fee £20 to be paid when returning Application Form. In addition, each module will carry a separate fee as indicated in the schedule to cover relevant expenses.
