- nurture an understanding of Christian values and how these shape our lives and the lives of others.
- celebrate individualities and are respectful of all faiths, beliefs and cultures.
- be committed to developing and preparing each other, through prayer and reflection to become witnesses to our moral and spiritual values in the wider world.

## OUR CHILDREN, WE AIM TO:

- develop lifelong learners who are independent thinkers.
- understand the importance of forgiveness and reconciliation.
- argue rationally, pose questions and make informed decisions.
- understand the world in which they live and the interdependence of individuals, groups, nations and the environment.

## OUR SCHOOL COMMUNITIES, WE AIM TO:

- develop appropriate relationships with other children and adults, both in the school and the wider world.
- encourage our families, parish and wider school communities to fulfil our vision that all children can reach their full potential.
- ensure everyone cares for and respects others, develops an understanding of the world and contributes to society as responsible citizens.
- educate the whole child, helping them to become confident, caring and responsible, understanding their part in the wider world.

## OUR STAFF, WE AIM TO:
